

Dear Sport User Groups,

October 2, 2020

We have had some complaints regarding the number of spectators at fields during games. Please remember that each game or practice constitutes an event and by order of the Provincial Health Office, is currently limited to 50 people maximum in attendance. This number includes but is not limited to players, coaches, refs, team volunteers and personnel **as well as spectators**. Please ensure you are including spectators in your contact tracing information collection.

For groups with space at Burnaby Lake West Fields, if you are not already, please adhere to the rules and signage in regards to transitions, entrances and exits. Groups need to be off the field **and outside of the fenced area** by the end of the allotted time.

Thank you all and have a lovely sunny weekend!

All the best,

Lyndsay Anderson
