## A New Season. A Renewed Vision.

### Message from the BFLC Board of Directors

As we prepare for the upcoming season, we are excited about the future of Burnaby Field Lacrosse Club.

Our focus is simple: strengthen our Club, improve the player and family experience, and create a positive environment where athletes can learn, develop, compete, and have fun.

This season, we are investing in our future through improved communication, new jerseys and equipment, enhanced player development opportunities, Tier 1 competitive pathways, support for coaches and volunteers, and continued growth of our female lacrosse program.

We are committed to building a club where every player feels welcome, supported, challenged, and proud to represent Burnaby. Whether an athlete is picking up a stick for the first time or striving to compete at the highest level, our goal is to provide opportunities for every player to learn, grow, and succeed.

Together, we are building a stronger club, a stronger community, and a brighter future for lacrosse in Burnaby.
